It's all about

Information that could **save your life!**

You are Special

It is not by coincidence that you have been given this leaflet. You see, things are about to change in your life and it will not cost you a penny. Why? Because you are special. No matter what anyone tells you, in the past or even today, you are on this planet as a special person with a special purpose. The person, who caused you to be here, says you are unique and special. All it takes from you is to believe Him. Yes, it will not cost you money. It will cost you a 'Change of Mind Thinking'- your **belief** that you are special.

The person who caused you to be here is God. He says He has chosen you to be special unto himself (**Deut 7:6**). He is calling you out of darkness into His marvellous light (**1 Peter 2:9**) so all that is required of you today is to believe that God says you are special.

You are Loved

You are part of the world and God loves you, that is why he says in his Word: "*For God so loved the world, that he gave his only begotten son, that whosoever believeth in him should not perish, but have everlasting life.*

For God sent not his son into the world to condemn the world, but that the world through him might be saved." (**John 3:16-17**)

You are Blessed

God says through Abraham shall **all nations** of the earth be blessed. (**Gen 22:18**) 'What does this mean?' I hear you ask. Well Abraham was known as a man of faith and it was counted unto him for righteousness (**Gal 3:6-9**) now if you will believe (faith) what God says, you become a seed of Abraham and therefore blessed.

That is what's wrong with the world today. We tend not to believe what God says and thus are not experiencing the blessings.

You will Be Saved

"Believe on the Lord Jesus Christ and you shall be saved." (**Acts 16:31**)

Yes my friend, everything is based on belief, to be saved you need to believe on God's son Jesus Christ. Yes, God loves you that is why He sent His son for you to believe on Him, so that you can be saved. No matter what your life is like at the moment, turning to Jesus and believing in Him will save you. Satan has caused chaos, confusion, loss, sickness, death, poverty, etc so that you and I want to blame it on God, and stop believing on Him. God's Word also says that whoever endures to the end will be saved. So no matter what you are going through, keep your belief system going.

Take hold on life

If you are presently in good health, not short of money, in a harmonious relationship, you may feel you do not need God in your life, you do not need Jesus to save you. But money could disappear from you any minute, sickness could come on you suddenly which could lead from one problem to the next.

When you believe in Jesus it does not mean that you will not be attacked, it will mean that when there is storm in your life your belief on the lord Jesus Christ will bring you through as you can believe on Jesus through the crises of life, He will take you from glory to glory. So praise him now, give Him praises always. You are alive and He has great plans for you.

1Cor 2:9 says *Eye has not seen, nor ear heard, neither has entered into the heart of man the things which God has prepared for those that love him.*

So when life looks gloomy you maintain your love for Jesus, knowing that the gloom will not last. This is taking hold on life.

Pray this Prayer

Heavenly father I believe that you sent Jesus into the world as your son to save me and give me a new life. I believe that He took all my sins and punishment so that I can go free. I am free of fear, anger, jealousy, rejection, loneliness and anything negative in my life.

Thank you for the blessings you are giving me which bring me inner peace. I repent of my sins and accept and welcome Jesus into my life as my personal saviour from sin. I pray in the name of Jesus. Amen.

The next step

Now you believe, you need to enter into the kingdom of God. In order to do this you must be born again. You see, when you were born of your mother that was your physical birth. Now you need a spiritual birth and

this can only be done through baptism. You need to be baptised of His Spirit.

In **John 3:3** Jesus says *.Except a man be born again, he cannot enter the kingdom of God.*

You are encouraged to seek baptism and pray that God will lead you to a church for your baptism.

Then continue reading His Word (the bible) at least once a day. As your physical body needs food, so does the spiritual side of you. Yes, the food for your spiritual side is The Word of God. The more you read The Word the faster you will develop spiritually.

Always pray before you start reading The Word, asking God to open your understanding and that He may give you revelation through His word.

Have a good day. God loves you. You can speak to him twenty-four-seven. No problem is too small or too big. He wants you to go to him with all your problems.

Cast all your cares upon Him because He cares for you. (**1Peter 5:7**)
